Nourished Soul:

Caring for Your **YOU**niverse™

April 21-22, 2012

at the

Georgia World Congress Center

The "Nourished Soul" Conference is a 2-day event that will be held at the Georgia World Congress Center in Atlanta. This area is considered to be one of the nicest in Atlanta, within walking distance of shopping, fine dining, and other venues.

The Conference will have twelve one-half day (3 hour) break out sessions. Depending on the number of facilitators who qualify to do a full day, the number of break out sessions may be slightly fewer. There will be workshops and talks around Earth Day (April 22).

In addition, there will be a keynote speaker for each day: Lisa Michaels, NaturalRhythms founder and author; and Anyaa McAndrew, M.A., L.R.C., N.C.C.

There will be a vendor area in which we can facilitate up to 12 vendors.

We anticipate 100-200 participants for the event, some coming for one day, some coming for both days.

We are currently screening proposals from facilitators and vendors, and hope that you will also complete an application to facilitate, become a vendor, or both. Our applications are attached.

Thanks for your interest in **"Nourished Soul: Caring for Your YOUniverse."**
